

## Spring Meeting, 2008 - Open Access Publishing in the Chemical Sciences

**One-day meeting, Thursday, May 22<sup>nd</sup>, RSC, Burlington House, Piccadilly, London**

The spring meeting of the Group will revisit the area of open-access publishing. It is over three years since our last meeting on this subject, and there have been many developments since then, particularly regarding chemistry.

This meeting will provide an update of these developments in this important area, presented by a panel of distinguished speakers. The cost is a very modest £30 for Group members and £40 for non-members. This includes coffee, lunch and tea.

The programme and application form for the meeting are given below.

Funding to help students attend this meeting may be available. If you wish to pursue this possibility please contact Doug Veal – [dougveal@waitrose.com](mailto:dougveal@waitrose.com)

Doug Veal, Secretary, CICAG
